Generator

May 2012

The ultimate in mobility! Add our 2K generator to your package and shoot anywhere you like with a completely mobile power source. Nicknamed “whisper generators”, these quiet units are small, compact and supply up to 2000 watts of power. If 2000 watts isn't enough “umph” for you, we've got a wide selection of larger generators available.

Rate Card

Pricing on the Generator is as follows:

- \$75/day for package rental
- Additional items are extra - less discount (if applicable)
